

ADDING A NEW PLAYER TO SCRUMS

This User Guide will explain how to add a new player to your club / school. A ‘new’ player is someone without an existing SCRUMS account.

Please Note: To add players with an existing SCRUMS account that are active at another club or school please read the ‘Player Transfers’ Guide, which can be found [here](#).

STEP 1

New Player – 18+

If the individual is new to SCRUMS and is not already linked to another club or school, then please email them the link below and ask the player to complete the registration process.

Invite New Player - (All)

You can also invite a new user from the **'Players'** section of SCRUMS.

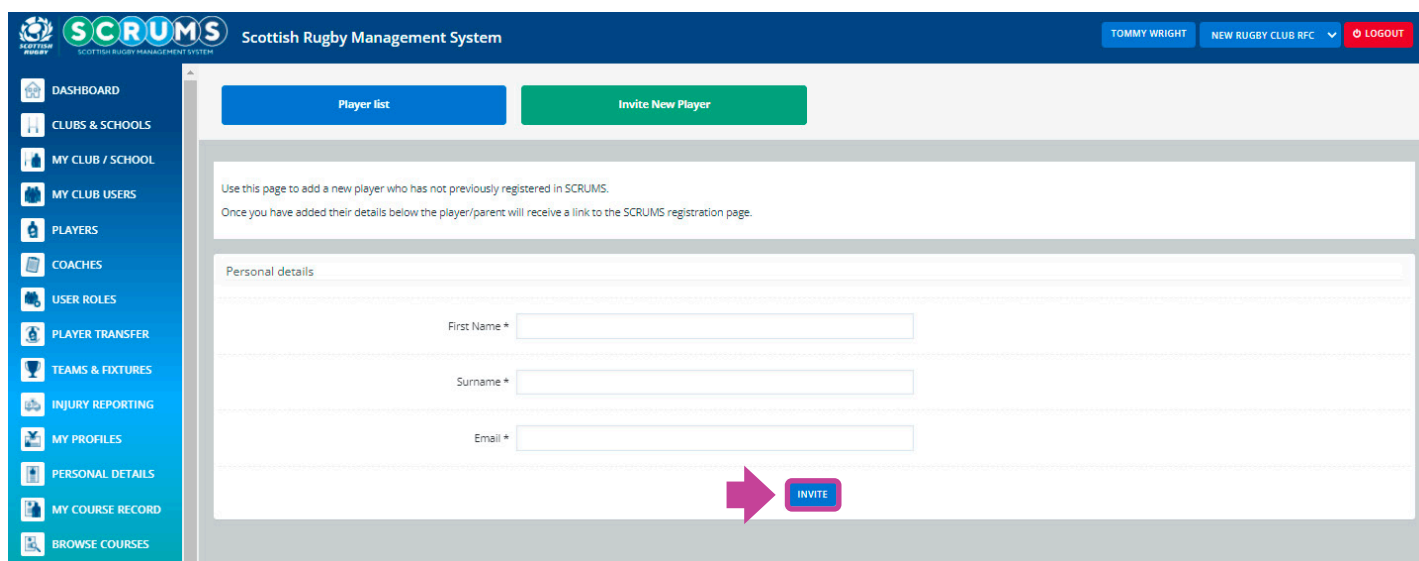

To do so, navigate to **'Players'** section from the main menu sidebar, as highlighted. Then, click the **'Invite New Player'** button, which will present you with the following screen.

Now, simply select the **'New Senior Player'** or **'New U18 Player'** button for the player you would like to invite.

ADDING A NEW PLAYER TO SCRUMS

Now you will be asked to input the new users first name, surname and contact email (or their parents contact email if they are U18) and click **'Invite'**, they will then receive a link to the SCRUMS registration page.
