

Cumbernauld Rugby Club

We are recruiting for voluntary coaches at Mini and Youth level. No prior experience required. All that's involved is a PVG check and some online learning. After this if you wish to progress your coaching career Scottish Rugby has a new Coach Development Pathway the club can assist with. We train/play 3 sessions a week however, there's no expectation to be there all the time. Please contact the club via social media or email us at: cumbernauldrugbycommittee@gmail.com to note your interest
