WELCOME

Gavin Scott

The Saltire Energy Caledonia Cup is a highly valued and important event in the domestic rugby calendar and one that I am sure will receive huge support from the local community.

As the biggest event of its kind in Scotland, and with no fewer than 30 teams competing over the course of finals day, the Saltire Energy Caledonia Cup will be action-packed throughout the day and will live long in the memory of the boys and girls competing across U15, U16 and U18 levels.

I wish everyone the very best for the day, whether you're playing, coaching or supporting the young rugby players on show as their rugby journey continues in front of excited friends and family today.

WELCOME

We are delighted to support the Caledonia Cup, as it very much signifies the positive impact sport has within our communities. Saltire Energy takes huge pride in supporting Scottish Rugby, whose core values of respect, leadership, achievement, engagement and enjoyment are fundamental to all that we stand for.

I wish all involved the very best of luck, the day will no doubt hold many successes but most importantly it will be a fun, exciting and enjoyable event for all involved.
