Name: Emelia Knights (Club Captain)

Comment: Being a part of this team is something so special. Hard work, dedication and a fierceness can be seen in every single member of this squad at training and games. Being able to showcase some of our best rugby in the National Final at Murrayfield is something that makes us all extremely proud. A lot of us came through the youth teams together, so it's amazing to be competing in our senior team too.

While it is fantastic that the rugby path for many of us has been through our youth section. I must acknowledge our pre-existing teammates who have been part of the senior women's team previously and competed at Murrayfield two years ago. It's important to give these players their due as they bring their experience and skills into our team which when you put us all together makes us who we are. We know regardless of the score, we all will be extremely proud of our season as a whole and to be finishing at Murrayfield!

Unfortunately, due to injury, I will not play in this final. However, having been Captain to this exceptional squad for the past two seasons is an experience I will remember fondly. I believe in them.

Name: Nic Humphries (Head Coach)

Comment: This team represents what our club is about. An extremely young team that have come through the Youth Squads and work hard for each other (18 of the 22 have played within our Youth teams & 15 of the 22 players are 21 years old or younger). As a whole squad they have worked hard all season to continually improve, all that we can ask for as a group of coaches, and their successful journey to a National Final is a deserved success. The final is another step in this teams evolution and what ever the result we will be a better team for our participation in the final.
