Name: Nicola Mackay (Captain)

Comment: As a fairly new womens' team, making it into the finals means so much to the team & the club. We've had a brilliant season so far & have really connected as a team. Our preparation coming into the final has been very good with everyone working hard to get our game to the level required to win a final. We are very excited to be playing at Murrayfield & expect a very tough game from Uddingston, who have also had a great run coming into this Saturday's game. Since starting the team the Krakens family has grown with 6 Kraken babies arriving in that time & 1 on the way, hopefully continuing the legacy for the club going forward. We also have a fairly punishing away travel schedule clocking up over 2000 miles one of the seasons in Caley North division 1 & cup competition.
