Name: Liam Burnell (Director of Rugby)

Comment: Irvine rugby club are delighted to be competing at the Hive, Murrayfield, in the National Bowl Final. It has been a remarkable season for the club and has been achieved through hard work, determination and a steadfast belief in each other. I am so incredibly proud of all those in the playing squad and would like to thank them for their effort and sacrifice they have made for the maroon and white shirt. The final will be special occasion for all involved with the club and I hope that the players go out and enjoy the moment and make some special memories that I'm sure will live with them for the rest of their rugby careers.

Name: Ruchin Filander (Captain)

Comment: It's been a tough few seasons for the club after Covid and this year we've come a long way as a team, I am grateful to and proud of all those who put in the effort to reach this final today. With new coaches Calum Ridout and Liam Burnell coming in no one knew what to expect, and it's unbelievable how far we've come under their wings this season and I hope as a team on Saturday we can show what has brought us here. As a community club I'm sure I speak for everyone when I say we are all very excited to represent Irvine, and I would like to thank the club and our families for their support today.

Note from Club Secretary regrading team sheet names: I have two players who use their middle names John Strom uses his middle name Mark and Martin Baird uses his middle name David. I have put both on the team sheet as, so they match what we have on SCRUMS.
