Name: Bruce Millar (Head Coach)

Comment: We're excited to be back at Murrayfield with the opportunity to defend the Sarah Beaney Cup. We came through a difficult cup run which coincided with the Celtic Challenge, a competition we are proud to have had so many players involved in. In particular, we got a hard-fought win at Cougars in the first game, a side who are always incredibly hard to beat; and I'm very proud of the fact we went up to Stirling with a depleted squad of only 15 players and picked up a try bonus point which was ultimately the difference between us getting to the final or being third in the table. We narrowly beat Hills three weeks ago in a game where momentum swung between the two teams and went right to the wire. They are a side we have huge respect for and I'm sure it will be an entertaining final.

Name: Rachel Law (Captain)

Comment: We are really excited to have made it to the Sarah Beaney Cup Final. We've had an great cup run so far, putting in some solid performances and showing the depth that this team has to offer. Hills have done the same and have looked extremely strong so we know it's going to be a physical battle. We are really looking forward to getting out there and hopefully putting on a cracking display of rugby.
