Head Coach - Dalziel Rugby Club's Senior Women's Team

Dalziel Rugby Club are looking to recruit a head coach to lead and develop our women's senior team. This is an excellent opportunity to play a key role in the development and growth of women's rugby at Dalziel Rugby Club, with a view to the team entering the Aspiring league in August 2025.

Skills and Experience

- Key knowledge and understanding of all aspects of the laws and the game.
- Appreciation of women's sport and its challenges.
- Ability to deliver constructive individual and team feedback.
- Strong leadership, communication, and management skills.
- Experience of planning and delivering engaging training sessions.

Requirements

- A minimum of SRU Coaching Essentials.
- Previous experience of coaching rugby.
- A passion for growing and championing women's sport.
- A commitment to inclusion and diversity.

More Information

Whilst this is not a fulltime position, the successful candidate will be expected to dedicate the required time and commitment to the role of women's head coach. Training currently takes place one night per week. Appropriate travelling expenses will be paid for this position.

Strength and Conditioning support for the squad is available, as is analysis software for training and match review.

Support will be offered to develop your coaching career from our current club coaches, the club coaching convenor and the club will support the successful candidate through the relevant SRU Coaching Qualification and other qualifications that will support the successful candidate's coaching CPD.
