Applicants sought for Men's Rugby Head Coach

Hillfoots RFC is recruiting a new Head Coach for its senior men's squad for season 2025/26 and beyond. We are seeking a qualified and ambitious coach to lead our coaching and management team.

The position is part-time, with training sessions on Tuesday and Thursday evenings and matches on Saturdays. The Head Coach role offers **£6,000 per year**.

Our 1st XV is a mixture of youth and experience and play a fast-flowing style of rugby, which has seen us compete strongly in Caledonia Division 2 Midlands and win the Midlands Bowl this season. We run an occasional 2nd XV development squad – a mix of the 'old and bold' and those on the verge of 1st XV rugby. They are playing a series of non-league fixtures this season with a long-term view to eventually re-enter the league.

For the Head Coach role, you will be expected to effectively and thoroughly plan all senior men's training sessions, matches and season phases keeping the plans player-focused.

We are looking for individuals who:

- have a passion for the game of rugby;
- ideally have significant experience in coaching a senior rugby team or teams over a number of seasons;
- will seek to help the club grow the game in the local community; and
- are able to work with senior players at various stages in their careers and have a clear understanding of long-term player development principles.

We would expect applicants to have undertaken the Scottish Rugby Aspiring Coaching Programme (or UKCC Level 2) or higher.

This is an ideal opportunity for a coach seeking to make their mark with an ambitious and hard-working squad. Alternatively, a more experienced coach could bring their experience to a club which has aspirations of playing at a higher level. The Club encourages the progression of the successful applicant's coaching qualifications through CPD sessions run by Scottish Rugby and other providers.

Please contact our Director of Senior Rugby for more information. A CV and cover letter should be emailed to our Director of Senior Rugby by **16th March 2025**.
