4 FIXTURES

Date and Kick-Off Time

- 4.1 The date, time and the identity of the home and away Clubs in any Match shall be as determined and notified by the relevant Competition Secretary.
- 4.2 Matches shall be played on the date and at the time notified. By exception, and where both Clubs agree, either Club may make a written application to the Competition Secretary for a Match to be played at an alternative time or on an alternative date (including evenings and weekdays). Applications shall be made no later than 7 days prior to the scheduled kick-off time and must be accompanied by evidence as to the consent of both Clubs. Written permission/confirmation must be obtained from the relevant Competitions Committee Secretary. Applications received within 7 days prior to the scheduled kick off time may not be considered. Consideration will be given to timeous applications providing it involves no detrimental impact to the conclusion of league and competition schedule. Where, in the reasonable view of the Competition Committee, such concerns exist, the Competition Committee may refuse an application. Matches taking place on the same day as a home international played by the senior men's Scotland team, shall normally kick-off no later than 2 hours prior to the international match kick-off. Where there is agreement between both teams for a Match to be played at an alternative time the relevant Championship or Competition Committee Secretary must be notified no later than 7 days prior to the scheduled kick-off time and must be accompanied by evidence as to the consent of both Clubs.
- 4.3 The Championship Committee and the relevant Competitions Committee reserve the absolute right to reschedule any Match where circumstances require. In the event of a postponed or abandoned Match requiring to be rescheduled, other Matches may require to be rescheduled or further rescheduled in order to accommodate that Match.
- 4.4 Matches shall normally be played at the home Club's regular venue. The home Club must advise the relevant Competition Secretary, the visiting Club and the referee promptly if a Match is to be played at a different venue.
- 4.5 Scottish Rugby retains full ownership of all copyright, database, and associated rights relating to fixtures, fixture lists, and result lists. Scottish Rugby holds exclusive entitlement to grant or license others the right of access to home club grounds ("Access Rights") for the purpose of transmitting, filming, or otherwise recording, by any form of media, any audio and/or visual content that depicts or describes any part of a match ("Copyright Materials").
- 4.6 All Clubs shall adhere to the terms of any and all agreements entered into by Scottish Rugby from time to time concerning Access Rights, including but not limited to Television Rights, Radio Rights, Footage Rights, and Marketing Rights (collectively referred to as the "Commercial Contracts") as they relate to Scottish Rugby competitions.
- 4.7 Should a broadcaster or media partner with whom Scottish Rugby holds a Commercial Contract exercise their right to broadcast a match, the Clubs involved must reschedule the fixture to the specified date and/or time as directed by Scottish Rugby. In such cases, no financial compensation shall be payable to the Clubs.
- 4.8 Where necessary to meet the requirements of a Commercial Contract, a match may be relocated to an alternative venue deemed suitable by Scottish Rugby. Clubs agree to cooperate fully in facilitating any such venue changes.
- 4.9 Clubs acknowledge that Scottish Rugby may issue additional rules and regulations in relation to the implementation of Commercial Contracts. These may include, but are not limited to, requirements around broadcasting, perimeter advertising, and matchday programme content. Clubs agree to comply with all such guidelines as issued and updated by Scottish Rugby.

Postponed and Cancelled Matches

- 4.10 If, as a consequence of government advice (national or local) a Match cannot be played the Club must without delay inform the relevant Competition Secretary of the full circumstances and the Match shall be postponed.
- 4.11 Matches postponed under Rule 4.10 shall ordinarily be rearranged/rescheduled for a date prior to the conclusion of the season. Should any such Match not be played by that date, and subject to Rule 12.2 the Competition Points awarded to each Club in the relevant league table shall be adjusted according to the 'Best Playing Record Calculation' to determine the final league positions.
- 4.12 In the event of any re-arranged knock-out or play-off Match having to be cancelled in accordance with Rule 4.10, the Championship Committee may determine that the Club with the higher standing in the final league table shall be declared as the winner of that Match.
- 4.13 If a Match is likely to be postponed for any other reason, the home Club must seek to play at an alternative venue or, if the home team is in the first half of its league season, the home Club may seek the opposition Club's consent for the fixture to be reversed. In the event of a postponement the home Club shall promptly

notify the opposition Club, the Match referee and the Competition Secretary. Where a Club makes no reasonable attempt to find an alternative venue the relevant Competitions Committee reserves the absolute right to apply sanctions to the offending Club, including a formal reprimand and warning and/or deduction of Competition Points.

- 4.14 If a second or subsequent postponement is likely, the Competitions Committee may direct where and when the Match should be played.
- 4.15 Where a Match is postponed for any reason it shall ordinarily be rescheduled to the next available fixture date free of Competition fixtures (no sooner than 7 days from the postponed fixture date). Other Matches may require to be rescheduled or further rescheduled in order to accommodate that Match.

Abandoned Matches

- 4.16 Where a Match is abandoned before 20 minutes of the second half have elapsed it shall ordinarily be rescheduled to the next available fixture date free of Competition fixtures (no sooner than 7 days from the postponed fixture date). Other Matches may require to be rescheduled or further rescheduled in order to accommodate that Match.
- 4.17 If a Match is abandoned after at least 20 minutes of the second half have elapsed the Match shall be deemed to have been completed and the score at the time of the abandonment shall stand as the Match result.
- 4.18 The right is reserved for the relevant Competitions Committee to investigate the causes of any abandonment and to take such action as it deems appropriate.
- 4.19 For the avoidance of doubt the procedures regarding any red or yellow cards, citing or misconduct complaints during an abandoned Match shall be the same as if the Match had been completed.

Non-Fulfilment of Fixtures

- 4.20 No Club may, without reasonable grounds, fail to fulfil its fixture obligations. The relevant Competitions Committee shall be the sole judge as to whether all reasonable avenues have been exhausted in trying to fulfil a Club's fixture obligations.
- 4.21 If a Club fails to fulfil a fixture on the date notified it shall receive the following automatic penalty:
 - 4.21.1 First default (in season): a three Competition Point deduction;
 - 4.21.2 Second default: a four Competition Point deduction; and
 - 4.21.3 Third default and subsequent defaults: a five Competition Point deduction.
- 4.22 A Club subject to penalty under Rule 4.21 or Scottish Rugby may request that the penalty be reviewed by the Competitions Committee, but only on the grounds that the default was caused by exceptional and unforeseen circumstances wholly outwith its control. Requests must be lodged with the Competition Secretary within 7 days of the scheduled kick-off time. On review the Competitions Committee shall have right to cancel, reduce, affirm or increase the penalty.
- 4.23 Where a Club is subject to penalty under Rule 4.21.3 the Competitions Committee shall also have the additional power to relegate and/or disqualify the Club where it considers this to be either necessary or appropriate
- 4.24 Where in the view of the Competitions Committee any default was due to the wilful actions of any Club it may additionally:
 - 4.24.1 apply sanctions to either or both Clubs, including a formal reprimand and warning as to future conduct and/or deduction of up to an additional five Competition Points and/or disqualification from the relevant competition and/or a deduction of up to the full amount of any participation money which the Club may be entitled to; and/or
 - 4.24.2 award the Competition Points to either Club, divide them between the Clubs as it sees fit or decide that no Competition Points should be awarded and order that the Match be replayed.
- 4.25 In the event of a Club not fulfilling a fixture and the opposition Club incurring unnecessary expense, the relevant Competitions Committee may award a financial penalty towards the reimbursement of the non-offending Club's and the Match Official's actual costs. Proof of actual costs will be required.
- 4.26 If a Club fails to fulfil three or more Competition fixtures in consecutive seasons the Championship Committee may suspend the Club from participation in Competitions for such period as the Championship Committee deems appropriate.

5 THE PLAYERS

Registration and De-Registration

- 5.1 All Players participating in the Competitions must be registered on the Scottish Rugby registration system (SCRUMS).
- 5.2 A Player is registered when, subject to these Rules, the Player has been allocated a unique reference number and the Player appears on the system under the Club's list of active registered Players. For the avoidance of doubt, registration of itself does not confer eligibility to play and players must comply with these rules and all other eligibility requirements including, inter alia, International Clearance.
- 5.3 All Players participating in the Competitions (other than as Emergency Player Loan Scheme Players or as allowed within the Regulations of an individual competition) must be properly registered as an active Player with the Club that they are representing.
- 5.4 Scottish Rugby reserves the right to refuse, suspend or request further information in respect of any application.
- 5.5 A Player may be registered to only one Primary League Club and one Secondary League Club. A Player's Primary League Club shall ordinarily be the Club with which the Player trains and plays most frequently. The Player may ask their Primary League Club to also register them with a Secondary League Club. The Player shall not be eligible to play for their Primary or Secondary Club until their name appears on that body's list of active registered Players.
- 5.6 A Player wishing to transfer Club must notify their current Club of their desire to transfer. The Player's new Club shall apply in the prescribed manner to transfer the Player's registration. The Player shall not be eligible to play for their new Club until their name appears on that body's list of active registered Players.
- 5.7 A Player cannot be first registered with a Secondary League Club if that Club has five or fewer Matches to play.
- 5.8 Clubs shall ensure that their list of registered Players is at all times accurate and up to date, including in relation to whether each Player remains active. Clubs shall deactivate a Player's registration on receipt of a request from the Player. Clubs wishing to deactivate a Player's registration shall inform the Player in writing.
- 5.9 Where a Player receives International Clearance to play outwith Scotland the Player's registration must be deactivated by their Club promptly.
- 5.10 Where a Player requires a work permit, visa or other consent to play in Scotland, the Player's Club must deactivate their registration at the end of that consent.
- 5.11 A Player's registration may be suspended or cancelled (including with retrospective effect), where the Player or their Club has breached the Regulations Relating to the Game or any of Scottish Rugby's Policies, Rules, Regulations or registration procedures.
- 5.12 Subject to the foregoing, a Player's registration status on any particular date shall be determined by the listing of active registered Players on that date.

Eligibility

- 5.13 Incoming Players requiring International Clearance shall not be eligible to participate in Scottish Rugby competitions until Scottish Rugby has provided written confirmation of the completion of the International Clearance process.
- 5.14 Other than as set out within the Rules/Regulations or with the written permission of the relevant Competition Committee, a Player may not play in Matches for more than two Clubs in any season.
- 5.15 A Player may not participate in a Match in an adult competition until the Player has attained the age of 18 years unless the Player has received prior written dispensation to do so from Scottish Rugby.
- 5.16 It shall be considered a breach:
 - 5.16.1 to register or attempt to register a Player without the Player's consent;
 - 5.16.2 to play a Player in a Match who is not eligible to participate;
 - 5.16.3 for a Player or Club to fail to comply with Player payment provisions of SDR 4.1 Player Status and Player Contracts. For the avoidance of doubt, the payment and/or the provision of material benefits to any Player in return for their participation is prohibited unless specifically permitted by SDR 4.1;
 - 5.16.4 for a Player to participate in a Match for a Club to which the Player is not registered or for which the Player is not otherwise eligible to participate for; or

- 5.16.5 to mislead the Championship Committee, Competitions Committee or Scottish Rugby in any matter relating to Player registration or eligibility.
- 5.17 Where a Club has been found to have fielded an ineligible Player, or to have fielded a Player whose name did not appear on the Team Sheet, the relevant Competitions Committee shall have the right to impose a sanction on the Club for which the Player participated, including a formal reprimand and warning as to future conduct and/or deduction of up to an additional five Competition Points and/or disqualification from the relevant competition. The Player shall also be liable to such additional penalty or suspension as the relevant Competitions Committee considers appropriate.

Dual Registration

- 5.18 A Player's Primary and Secondary League Clubs must be in different league divisions. Should a Player's Primary or Secondary League Club be promoted / relegated into the same division as their other dual registered Club, the Player must be deregistered from their Secondary League Club.
- 5.19 A dual-registered Player may not play for the first XV of their lower-placed Club in any of its last five Matches unless at least 50% of their previous first XV Matches that season have been for the lower-placed side or where the Player has obtained the prior written permission of the relevant Competitions Committee.
- 5.20 No more than five dual registered Players may be included in the Match squad of their lower placed Club.

Transfer Deadline

- 5.21 Scottish Rugby shall set Male and Female transfer deadline dates each season (see Appendix 1).
- 5.22 Any Player receiving International Clearance to play in Scotland, being Dual Registered or being transferred between Clubs after the relevant transfer deadline may not participate for their new Club in a Competition for the remainder of that season unless either:
- 5.22.1 the relevant competition Regulations permit; or
- 5.22.2 the Player attains the age of 18 years after the Transfer Deadline; or
- 5.23 the Player receives written permission from the Championship Committee to do so. Permission will normally only be granted in exceptional circumstances (for example a non-rugby related change of domicile or other reasonable change of circumstances which makes it impossible or impractical, in the view of the Championship Committee, for the player to continue to play for their current club).
- 5.23.1

Pro Team Contract Players

- 5.24 Players contracted to Edinburgh Rugby or the Glasgow Warriors shall be eligible to participate in the Premiership only but not in any other National or Regional Competition Matches.
- 5.25 No more than two Pro Team Contracted Players may be included in any match day squad.

Pro Team Academy Players

- 5.26 Scottish Rugby Pro Team Academy Players shall be eligible to participate in the Premiership but not in any other National League or Regional Competition Matches.

Emergency Loan Scheme

- 5.27 A Club which would otherwise be unable to fulfil a Match or to meet the requirements of Law 3.8 due to a short-term lack of suitably experienced front-row forwards, may take on loan up to two front-row Players from other Clubs. Emergency Loan Players shall not become registered to their loan Club for these purposes.
- 5.28 No Player may play on loan in a Match for:
- 5.28.1 a Club in the same division as the Player's Primary Club;
- 5.28.2 a Club in a lower division in its final five Matches, Play Offs or from the quarter-finals (or later) of the relevant Competition; or
- 5.28.3 a Club where their participation on loan risks compromising their Primary Club's ability to meet its own competition obligations.
- 5.29 Without the prior approval of the relevant Competitions Committee:
- 5.29.1 no Player may play on loan with the same Club in more than three Matches per season or for more than two Clubs in any season; and
- 5.29.2 no Player who has participated for his Primary League Club in more than eight Premiership or

National League Matches (excluding in the Reserve League) may play on loan with a Club in a lower division.

6 THE TEAMS

- 6.1 Clubs must ensure that they avoid a clash of team colours (jersey and/or socks). The Match referee shall be the sole judge as to whether colours clash. Where necessary it shall be the responsibility of the home Club to change.
- 6.2 Clubs proposing to play other than in their normal colours (as detailed in SCRUMS) must advise the opposition and the Match referee not less than 72 hours before kick-off.

Team Sheets

- 6.3 Clubs must deliver a fully completed team sheet to the Match referee and to the opposition manager/coach not later than 30 minutes before kick-off. Changes to the team sheet may be made up to kick-off. No player shall be eligible to take part in a match unless their name appears on the team sheet submitted.
- 6.4 The team sheet must specify the jersey number or some other form of unique identification, full name and registration number of each Player. Players capable of playing at tight-head prop, loose-head prop and hooker must be highlighted as such. The team sheet must separately identify any Player playing for their Secondary League Club and any Emergency Player Loan Scheme Players.
- 6.5 Any Club wishing to use an identification method other than jersey numbers must request approval from the Championship Committee or respective Competition Committee no later than 10 days before a fixture.
- 6.6 Team sheets must be submitted to Scottish Rugby within 48 hours of kick-off.
- 6.7 For the avoidance of doubt it shall be considered a breach when:
 - 6.7.1 A club fails to timeously deliver a team sheet to the other Club and Match referee; or
 - 6.7.2 If a Club fails to submit a team sheet fully, accurately or timeously it shall receive the following automatic penalty:
 - 6.7.2.1 First default (in season): £25 of the Clubs 'CIF' payment;
 - 6.7.2.2 Second default: £50 of the Clubs 'CIF' payment; and
 - 6.7.2.3 Third default and subsequent defaults: £50 per instance of an inaccurate, late or missing Teamsheet. In the event of five or more failures the relevant Competition Secretary shall consider raising a Complaint (in accordance with Rule 13) against the Club.
- 6.8 A Club subject to penalty under Rule 6.7 or Scottish Rugby may request that the penalty be reviewed by the Competitions Committee, but only on the grounds that the default was caused by exceptional and unforeseen circumstances wholly outwith its control. Requests must be lodged with the Competition Secretary within 2 weeks of the scheduled kick-off time. On review the Competitions Committee shall have right to cancel, reduce, affirm or increase the penalty.

Number of Starting Players

- 6.9 Both teams must start the Match with 15 Players, including a suitably experienced front-row. Any Match not complying with this requirement shall be declared unfulfilled and shall be treated as a Non-Fulfilled Fixture.

 - Premiership:** Four, five, six or seven
 - National League Division 1:** Four or five.
 - National League Divisions 2, 3 and 4:** Two, three or four.
- 6.11 There is no requirement for there to be parity as to the number of replacements available to each team and the requirements of Law 3.8 in respect of the number of front row players within any Match squad must be observed.
- 6.12 The maximum number of rolling substitutions a team may use in any Match shall be 12. The 15-minute limit

on temporary Blood Replacements in Law 3 does not apply to rolling substitutions.

- 6.13 No Player may be included in squads for Matches which are being played either concurrently or are overlapping.

Late Arrival

- 6.14 Where some or all of its Players have been unavoidably delayed, a Club may request the Match referee to delay the kick-off to enable it to achieve a full side. No Match may be delayed such that the Match would not be completed in good time. The Match referee shall be the sole judge in this regard.

7 THE GROUND

The Pitch

- 7.1 The home Club shall provide a suitable pitch complying with Law 1. The dimensions of the pitch shall be as near as is practicable to the maximum permitted by Law 1 and must exceed any requirement set by Scottish Rugby.
- 7.2 Padding around the goalposts, conforming to Law 1.7, must be provided.
- 7.3 If the home Club fails to meet the requirements of Rule 7.1 or 7.2 the Match referee may order that the Match be postponed.

Technical Zones

- 7.4 Two technical zones (one for each team) must be provided. The technical zones shall be on the same side of the pitch and shall be marked on the ground. Where practicable they shall be located in the Perimeter Area of the Playing Enclosure and shall commence not less than 5m either side of the half-way line. The technical zones must be set back at least 2m from the touch line.
- 7.5 A maximum of six club personnel (coaches, medics, water carriers or other officials) may be present in each technical zone. All persons present in the technical zone (a) must conduct themselves at all times in an orderly fashion in accordance with the highest standards of disciplined and sporting behaviour; and (b) must not obstruct, interfere with or direct any comments towards the Match officials.
- 7.6 Replacements must stay outwith the Playing Enclosure, unless warming up or about to enter the Field of Play as a replacement.

Sin Bins

- 7.7 Two "sin bin" areas (one for each team) must be provided. The sin bin areas shall be at least 10m apart and shall be afforded a clear view of the Playing Enclosure.

Fitness of Ground or Conditions for Play

- 7.8 If, prior to the day of the Match, there is doubt as to the potential fitness of the ground the following arrangements must be made:
- 7.8.1 Advance warning, being at least 72 hours where reasonably practicable, must be provided to the visiting Club and the Match referee. The visiting Club and referee must be advised as to any potential contingency arrangements.
- 7.8.2 The visiting Club shall provide details of a point of contact in relation to the potential postponement and shall also advise as to their intended time of departure.
- 7.8.3 The home Club shall arrange for an independent assessment of the pitch. The assessment should, where reasonably practicable, be made by the Match referee, failing which by another independent person (such as a local referee, referee coach/assessor, Scottish Rugby official or an official from another club).
- 7.8.4 The assessment shall be undertaken not less than 60 minutes prior to the visiting Club's intended departure time. The result of the inspection shall be communicated to the visiting Club not less than 30 minutes before its intended departure time and to the Match referee.
- 7.8.5 Should the home Club fail to arrange for an independent assessment the visiting Club may do so. Where said assessment indicates the ground to be playable and the home Club has postponed the fixture, the relevant Competitions Committee may investigate as to whether a breach of these rules has been committed.
- 7.9 Where prior to kick-off there is doubt as to the fitness of the ground or the conditions for play, the Match

referee and the team captains shall inspect the pitch. If any one of these three persons deems the pitch or conditions to be unplayable then the Match shall be postponed. This decision shall lie solely with the team captains and the Match referee. The captains shall notify their own Club of the decision.

- 7.10 Within 48 hours of the decision not to play a Match the home Club shall advise the relevant Competition Secretary as to the reason why that Match was not fulfilled. The Competition Secretary may seek further information in order to decide whether a Complaint should be raised against either or both Clubs.
- 7.11 Where a Club does not own or have rights over its ground, and the ground is declared unplayable by the holder of said rights, written evidence of such decision must be obtained and must be submitted to the Competition Secretary. In the event of failure to provide written evidence to the Competition Secretary, the Competition Committee may decide whether a Complaint should be raised against the home Club.

8 THE MATCH

- 8.2.1 the designated venue complies with all applicable government and local restrictions, health and safety legislation, local authority consent and associated requirements, and is safe for the purpose of admitting persons to the venue to assist in the organisation of, or to play in and/or spectate at the Match;
 - 8.2.2 at all times it maintains appropriate insurance to cover its potential liabilities arising from the staging of the Match, including the admission of spectators and others to the venue.
- 8.3 The home Club shall ensure that the visiting Club are advised of all relevant venue health and safety and associated requirements.
- 8.4 The home Club shall ensure that spectators are kept at a reasonable distance from the Playing Enclosure and at no time are able to enter the Playing Enclosure to interfere or interact with the Match, the Match officials or any of the Players or other Persons entitled to be within the Playing Enclosure.

Match Ball

- 8.5 The home Club shall provide at least three match balls compliant with the Laws.

- 8.6 The half-time interval shall normally be five minutes. The length of the interval may be altered by agreement between the Clubs provided that this is notified to the Match referee prior to kick-off but shall not be more than 15 minutes.
- 8.7 The teams may retire to covered accommodation at half-time.

- 9.5 Responsibility for confirmation of the referee and, where appropriate, the assistant referees shall lie with the home Club.

10 METHOD FOR DECIDING ON LEAGUE PLACINGS AND IN TIED KNOCK-OUT MATCHES

Tied League Placings

- 10.1 In the event of two or more Clubs in a division, pool, conference or competition being equal on Competition Points, placings shall be determined based on their respective points differences (being points scored for less points against).
- 10.2 Should points difference fail to separate the Clubs then the aggregate score over the competition fixtures between the Clubs shall be used to decide between them.
- 10.3 If neither of the above can determine which Club should be placed the higher and an issue of qualification to the next stage of competition, promotion, relegation, or a competition title depends on the respective rankings;
- 10.3.1 a play-off Match shall ordinarily be arranged by the Competition Secretary at a neutral venue.
- 10.3.2 where a play-off match cannot be arranged because government (national or local) advice means a Match cannot be played, the Championship Committee may determine that the criteria in 10.4.1-10.4.5 be applied, firstly to the Competition Matches between the teams and, if this fails to separate the Clubs, to all of the Clubs' Matches in the Competition over the season. Should this fail to separate the Clubs the Championship Committee may determine that the Clubs be separated by the toss of a coin.

Play-Off and Knock-Out Matches: Extra Time

- 10.4 If the scores at full-time in a play-off or knock-out Match are equal, extra time shall be played comprising 10 minutes each way with a one-minute interval. A coin shall be tossed by the Match referee to determine the direction of play. If the scores are still equal after extra time the following criteria (in the order given and including occurrences in extra time) shall be used to decide the winner:
- 10.4.1 the team scoring more tries;
- 10.4.2 the team scoring more conversions;
- 10.4.3 the team scoring more drop goals;
- 10.4.4 the team receiving fewer red cards; and
- 10.4.5 the team receiving fewer yellow cards.
- 10.5 If the event that none of the above is able to separate the teams further periods of extra time shall be played during which the Club which scores first shall be the winner.

11 CLUBS DISQUALIFIED, SUSPENDED OR WITHDRAWING

- 11.1 If a Club is disqualified, suspended or voluntarily withdraws from a league after the start of the season, the results of all Matches played by that team shall be deleted and the positions in the division shall be established from the Matches played between the remaining Clubs.
- 11.2 If the deletion of a Club's results and the subsequent revised positions in the division have a direct effect on a Teams' qualification into the next stage of competition or the promotion or relegation of a team which has already completed its full programme of fixtures, the relevant Competitions Committee may make such arrangements as it deems appropriate to best resolve the issue.

12 PROMOTION AND RELEGATION IN LEAGUE COMPETITIONS

- 12.1 Subject to the application of Scottish Rugby's Policies, Procedures, Rules and Regulations (if relevant, and to the extent applicable), the basis on which Clubs are to be promoted/relegated shall be as set out in Regulations associated with the individual National Competition. Normally, any vacancy arising shall be filled by an additional Club being promoted before one fewer is relegated. In the event of an additional Club requiring to be promoted from a regional based competition, the additional Club shall normally be promoted from the withdrawing Club's Region.

- 12.2 Within each of the competition structures (Premiership, National and Regional Leagues (as a single entity); the Reserve Leagues; and the Women’s Premiership and National Leagues), in the event that, for whatever reason, an aggregate of 65% of all possible league Matches in the relevant competition structure have not been played by the conclusion of a season (Close Time), or where the Championship Committee deems that there is no reasonable prospect of 65% of the league Matches in the relevant competition structure being played by that date, the Championship Committee may declare the season for that competition structure to be null and void and there shall be no promotion/relegation in respect of that season.
- 12.3 The final placings in each division, the determination of league titles, the Clubs to be promoted/relegated between divisions and the composition of those divisions for the succeeding season shall be subject to the lists issued by the Competition Secretary at the conclusion of the Season.
- 12.4 A Club may apply to the Championship Committee or their respective Competition Committee to request an exemption from promotion. In respect of such applications:
 - 12.4.1 a Club may only apply once in a two-year period in respect of any league or division;
 - 12.4.2 the application must be submitted no later than 1 April in that Season; and
 - 12.4.3 prior to granting the exemption the applicant shall satisfy the Championship Committee that the promotion would be materially detrimental to player welfare and/or the finances or infrastructure of the Club.
- 12.5 Where a request for exemption from promotion is approved and the Club concerned was subject to a play-off, the other play-off team shall be promoted.
- 12.6 A Club may apply to the Championship Committee or their respective Competition Committee to request to be relegated to a lower league. In respect of such applications:
 - 12.6.1 the application must be submitted no later than 1 April in that Season; and
 - 12.6.2 prior to granting the exemption the applicant shall satisfy the Championship Committee that sustained fulfilment in the higher league would be materially detrimental to player welfare and/or the finances or infrastructure of the Club.
- 12.7 The determination of the relevant Competition Committee or Championship Committee in respect of relegation and promotion matters shall be final and binding on all participating Clubs.

13 COMPLAINTS

- 13.1 A complaint into an alleged breach of the Rules or Regulations (a “Complaint”) may be raised by:

- 13.3 Complaints submitted on behalf of participating Clubs must be submitted to the relevant Competitions Committee or, as the case may be, the Championship Committee within 14 days of the alleged infringement occurring (for the avoidance of doubt the 14-day period shall run from the actual event, not from the date of the complainant becoming aware of it).
- 13.4 The subject of the Complaint shall be sent a copy of it as soon as practical following receipt.

Complaint Process

- 13.5 Complaints shall be heard by the relevant Competitions Committee, or a sub-committee of it comprising not less than three members (the “Complaints Committee”). Where the Complaint is heard by a sub-committee, the Complaints Committee shall elect one of its members as Chair. Any member with an actual or potential conflict of interest shall be required to recuse themselves.

Complaints shall normally be heard based on the papers but may be by way of hearing where the Complaints Committee or one of the parties so requests;
 - 13.6.2 Determine the timescale for the proceedings. For the avoidance of doubt the Complaints Committee shall be entitled to expedite the process where it considers that this is required for the benefit of the competition. The Complaints Committee may also set aside the requirement for Complaints to be brought within 14 days where it believes that it is in the best interests of the game to do so;
 - 13.6.3 Call upon, receive and consider such evidence as it thinks appropriate; and
 - 13.6.4 Request the attendance at any hearing into a Complaint of any Club, team or person under the jurisdiction of Scottish Rugby. Where a Club, team or person requested to attend refuses or fails to do so the Complaints Committee may adjourn the hearing or proceed in their absence. Any Club, team or person failing to co-operate with the Complaints Committee or seeking to mislead at any point in the Complaint process may be subject to Misconduct proceedings under Scottish Rugby's Disciplinary Rules.
- 13.7 The subject of the Complaint shall have the right:
- 13.7.1 to be represented at any hearing by up to two people, in the case of a Club one of whom must be a Club member. The name and capacity of those attending shall be advised to the Complaints Committee in advance of the hearing;
 - 13.7.2 to submit evidence, call witnesses and make representations at any hearing; and
 - 13.7.3 to be notified in writing of the outcome of the hearing as soon as is reasonably practicable.
- 13.8 The onus of proof shall be on the complainant to establish the breach of the Rule or Regulation alleged. The standard of proof shall be on the balance of probabilities.
- 13.9 A written statement giving reasons for the decision of the Complaints Committee shall be provided if so requested by the parties and upon the lodging of a note of appeal.

Sanctions

National League Division 1: Assistant Referees Agreement

1 Season 2025/26

For season 2025/26 Scottish Rugby will appoint two assistant referees to the Men's National League Division 1*. The assistant referees (AR) will wear communication equipment (earpiece and microphone) linked to the referee and will assist the referee in decision making in the key areas of the game, such as line of touch, kicks at goal, offsidess and foul play.

*Scottish Rugby may re-allocate Assistant Referees to a lower league match (as referees) if a match is at risk of not going ahead (due to their being no suitably trained referee). This means that on any given weekend throughout the season, one or all National League Division 1 matches may not be appointed Assistant Referees.

It is important to note:

- An Assistant Referee will not substitute for the Referee if the Referee are injured during a match;
- Assistant Referees may be re-allocated to another lower league match up to the match kick off time (although as much notice will be given as possible);
- In the event of an Assistant Referee being required to Referee a lower league match, both Assistant Referees will be re-allocated. The home and away teams will then be required to appoint two club touch judges to support the referee. Touch judges will only support matters relating to the line of touch and kicks at goal;

- In the event of Assistant Referees being called up to referee a lower league match the National League Division 1 match will not be postponed or rescheduled.
